Peace by Piece Summit 2012

The 2012 Peace by Piece Youth Summit was a huge success! Students and workers from B.M.C. Durfee High School, Brockton High School, Bishop Connolly High School, and Diman Regional High School joined together to work toward the common goal of violence prevention in our communities. We had some amazing activities, in-depth discussions, and enlightening presentations that made the day tremendous. Thank you so much to all who helped contribute to this empowering day!
